EXECUTIVE PROFILE

Brand Growth & Digital Commerce Leader with 11+ years of experience helping founders and leadership teams build premium consumer brands across fashion, jewellery, luxury home décor, beauty, hospitality, kids' wear, organic cosmetics, fragrance and D2C commerce. Experienced in leading large-scale digital commerce operations, brand strategy, Shopify ecosystems, customer experience optimisation, campaign leadership, creative conceptualisation and AI-enabled marketing operations, with exposure to both Indian and international brands.

CAREER HIGHLIGHTS

- 11+ years of progressive experience across Brand, Digital Commerce & Marketing for premium and luxury D2C brands
- Managed Shopify ecosystem and digital commerce operations across 50,000+ SKUs across multiple brands while supporting a high-volume website receiving approximately 500,000–700,000 visitors daily
- Owned the planning and execution of seasonal integrated marketing campaigns from strategic concept through launch
- Worked directly with founders and cross-functional teams (design, development, PR) to shape brand direction
- Led creative conceptualisation for video and static campaigns across fashion, jewellery and fragrance categories
- Led a full brand identity repositioning for a patisserie brand, shifting tone of voice and visual direction to a more quirky, lively brand expression
- Brought AI-powered workflows into day-to-day operations — research, copywriting, campaign planning and competitive intelligence — improving turnaround time on creative and content cycles
- Built marketing exposure across confidential luxury fragrance brand engagements under NDA, in addition to named consulting work

INDEPENDENT CONSULTING EXPERIENCE

Independent Brand Growth & Digital Commerce Consultant

Aug 2022 – Present

Partnered with founders and leadership teams across premium consumer brands to deliver brand strategy, digital commerce, customer experience optimisation, campaign leadership and creative communication across fashion, jewellery, beauty, hospitality, kids' wear, luxury home décor and fragrance brands.

Zest Mélange — Led Shopify and digital commerce operations, merchandising, campaign execution, customer journey optimisation and product storytelling.

Zest Corporation — Developed social media campaigns, outdoor branding, event standees and corporate communication for the parent jewellery brand.

Ancora Design (USA) — Led event branding, coordinated product photography and developed premium catalogues.

Baaya Design (Part-Time, continued) — Continued the founder relationship on a part-time consulting basis following a full-time tenure (see Professional Experience below) — owning the annual marketing calendar, integrated campaigns, exhibitions, partnerships, PR coordination and website communication.

A Toddler Thing — Conceptualised founder-led campaigns, managed advertising communication and developed brand storytelling for the kids' wear brand.

Saffron Stays — Managed advertising communication and campaign messaging.

Azafran — Optimised the organic cosmetics website to improve user experience, navigation and conversion-focused communication.

ARMAF (International Fragrance Brand) — Led campaign strategy, creative concepts and product storytelling for fragrance launches, with focus on premium positioning and launch communication.

Saturday Club (Patisserie Brand) — Led brand rebranding project, repositioning the brand identity and tone of voice to be more quirky, lively and distinctive — spanning visual direction, messaging and customer-facing brand expression.

Confidential Luxury Fragrance Brands (NDA) — Developed campaign strategy, creative concepts, launch communication, product storytelling and AI-assisted marketing workflows for additional fragrance brand engagements; details withheld under non-disclosure agreement.
